

WELCOME TO LAMBTON SPORTSMAN'S CLUB

This is a run down of how membership works at our club.

In the membership package you have picked up, had emailed to you or down loaded from the website, there are 3 forms that need to be filled out and signed. The application form and waiver, both need to be filled out and signed by every person over the age of 18 joining for membership to be approved. For members under the age of 18, the waiver needs to be filled out in their name and signed by you as the parent or guardian.

Completed forms and payment must be received before membership is approved. Payment can be cash, cheque or money order only at this time.

Once the completed documents and payment have been received the next steps are as follow:

- Every new membership must go through a Board of Directors meeting
- These meetings are typically held on the last Tuesday of each month
- If possible, we request that new members be present at that meeting for a short meet and greet with the Board This generally takes about 15-20 minutes. (this is not mandatory as work, family etc doesn't always make schedules work
- Once your membership has been approved, new members are required to complete the New Member Orientation, this is mandatory.
- The New Member Orientation takes about an hour and a half, you are shown around the property, all the ranges, the club house, where things are kept, what is expected of members, all the do's and don'ts etc.
- At the orientation you will receive your membership card and name badge, a copy of the Code of Conduct and the Club Bylaws, as well as contact information for the different committees in the club.
- All members are required to complete a minimum of 8 hours of volunteer work each year or a monetary fee in lieu of is due upon renewal. There are exemptions based on age, disability, and location. Please discuss this with Caron if any apply.
- We do prorate fees depending on when you join in the year. Please contact Caron to confirm both membership and CSSA fees
- CSSA membership is mandatory with membership at Lambton Sportsman's Club, it is paid to us and we remit it to CSSA on your behalf. If you are already a member of CSSA, please let Caron know when joining.

If you have any questions or concerns, please contact Caron either through the website, at shooterchic@hotmail.com, phone at 519-862-2641, phone or text at 519-381-1199.
